

## COUNTY NOTICES PURSUANT TO A.R.S. § 49-112

Because each county writes rules and regulations in its own unique style, County Notices published in the *Register* do not conform to the standards of the *Arizona Rulemaking Manual*. With the exception of minor formatting changes, the rules (including subsection labeling, spelling, grammar, and punctuation) are reproduced as submitted.

### NOTICE OF RULEMAKING DOCKET OPENING

Pinal County Air Quality Control District

(Ref. A.R.S. §41-1021)

[M05-241]

#### 1. Subject Matter of the Proposed Rule

The proposed revisions to local air quality rules involve the following:

1. Grammatical corrections and minor updates (i.e. numbering corrections, incorrect references, etc.)
2. Additions to the list of nonprecursor organic compounds (§1-3-140.89) which reflect EPA's revisions to the definition of Volatile Organic Compounds (VOC).
3. Addition of PM<sub>10</sub> and PM<sub>2.5</sub> definitions (§1-3-140.98a and 98b)
4. Updates to National Ambient Air Quality Standards (NAAQS) for removal of 1-hour ozone (§2-1-040) and inclusion of PM<sub>2.5</sub> (§2-1-020), and 8-hour ozone (§2-1-040).
5. Updates to Chapter 3, Article 1 - general provisions related to permits and permit application requirements for class III sources.
6. Addition of Chapter 3, Article 9 – Notification requirements for portable sources.

#### 2. Prior Related Notices

The EPA formally revised the Definition of Volatile Organic Compounds which excludes four compounds. See 69 Fed. Reg. 69290 (11/29/04).

#### 3. Contact Information

Those wishing further information regarding any aspect of this proposal may contact Scott DiBiase, Planning Manager, Pinal County Air Quality, 31 North Pinal St., Building F, Florence, Arizona, 520-866-6929. To the extent possible, the District will also post information on the County's website, [www.co.pinal.az.us](http://www.co.pinal.az.us), under the "air quality" link.

#### 4. Opportunity for Written or Oral Comments

At a later date, the District will publish a Notice of Proposed Rule Making that will define a formal timetable for submittal of oral or written comments. At any time prior to the close of that to-be-defined comment period, anyone may seek information or submit comments by contacting the Planning Manager at the address shown above. Ultimately, the public will also have an opportunity to offer comment in the public hearing before the Board of Supervisors.

#### 5. Anticipated Timetable

The District anticipates that the rulemaking record will close on or about November 9, 2005, and that final adoption, in a public hearing before the Board of Supervisors, will be held on or about December 14, 2005.
